

**INSURANCE OMBUDSMAN, MAHARASHTRA & GOA, MUMBAI
COMPLAINT AND DISPOSAL RECORD**

Complaint No.:	OMB/MAH/LI/2025/2217
Filed by:	Sunita Deshpande
Filed On:	05.07.2025
Policy No.:	SLIC-4471-208833
Hearing Date:	28.07.2025
Outcome:	Complaint disposed of as withdrawn upon the Complainant electing to pursue the remedy before the Consumer Commission

The Complainant approached the Insurance Ombudsman on 05.07.2025, shortly after her representation against the repudiation was rejected by the Opposite Party on 02.07.2025, seeking a review of the repudiation of the death claim under Policy No. SLIC-4471-208833.

A hearing was held on 28.07.2025 before the Insurance Ombudsman, at which representatives of both the Complainant and the Opposite Party appeared. Given the value of the claim and the disputed questions of fact involved, the Complainant elected to withdraw the Ombudsman complaint without a decision on merits and to pursue the matter before the appropriate Consumer Forum.

The Ombudsman proceedings were accordingly closed as withdrawn, without any finding for or against either party, and without prejudice to the Complainant's right to agitate the matter before the Consumer Commission.
